TRENDSETTER IN THE WORLD OF BATHROOM

# ABOUT US

Guru bath fittings have all the touches you expect of a luxury bathroom. Right from the start, it has been objective of Guru to improve on the standards of design, materials, components and services offered by other manufacturers. Designed and manufactured to exacting standards, Guru fittings are not only decorative in themselves but dependably functional also. they blend with decor, from antique to modern and exotic to traditional. these are the fittings that have been thoroughly engineered and tested, superbly crafted and discriminately styled.

**The Hard Facts about Guru Fittings :** Thoroughly standardized parts are interchangeable and easily available. threads are made deep to extend the life of fittings. All exposed parts are bright electroplated and diamond hard.

All Guru Fittings are guaranteed for a period of 5 years against manufacturing defects, if any. Once again Guru offers superbly designed products to maintain their elegance even after lengthy use. From spindles or washers, springs to rings, every component is manufactured to extend the durability and easy operation of fittings.

**To Clean:** Apply a mild Liquid detergent or non-abrassive cleaner with a soft, damp cloth.

## EVERY PRODUCT THAT WE OFFER IS CREATED AND PRODUCED AROUND OUR THREE CORE VALUES

### QUALITY

All of our products are passed through stringent quality assurance processes to ensure they reach the exacting standards that allow us to offer our 5 years Warranty.

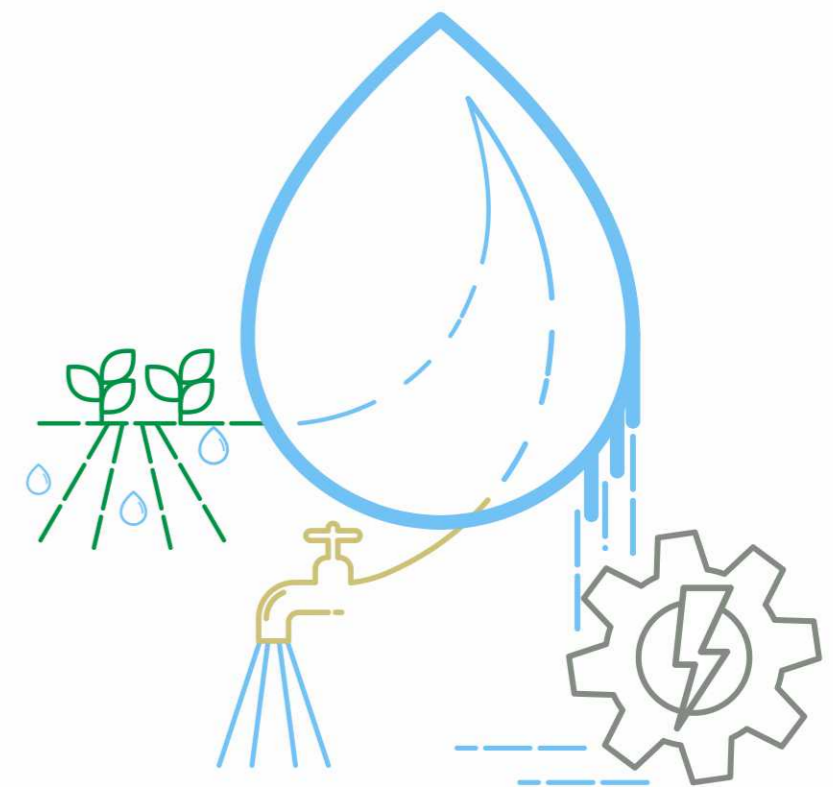

### DESIGN

Our products range from traditional mixers, taps and showers to contemporary designs including waterfall style spouts and handle options. We thrive to remain at the cutting edge of the international design trends.

### INNOVATION

We have a team of people dedicated to developing product ranges that innovate in their form and function. We design products that not only look great but are easy to install, maintain and minimise environmental impact.
